## Our Committee

Our Committee is made up of passionate people who see the importance of literacy and providing opportunities to the North. **BUT we need you!** There are no qualifications, just a desire to help! The bigger the team is the easier the load.

### ***Would you consider joining our committee?***

We meet twice a term for 90 minutes. Our team members opt in and out of which events they would like to help with. Come along, join us, have a look at what we do. Help us to develop the meaning of our Whakataukī!

The events and opportunities our team have organised and participated in have helped us grow with the skills and appreciation of the changing world of literacy.
