

Tai Tokerau Literacy Association

Term One Events 2018

The Role of the Resource Teacher Literacy

Come along for afternoon tea to meet the Whangarei based RTLits and find out about their role in our schools, including how to access their service and what they do to help our hardest to shift literacy learners. This session will last around one hour.

Questions are encouraged.

If you are attending please email us for catering services.

AGM

Following the RTLits presentation we will have our AGM. Whilst this is optional we would encourage you to find out about the work we are doing to encourage literacy in Northland. We promise to keep this brief, and no one will be pressured to have to join our great team, we are open to those who like to consider joining, it's a great team!

Mathematics Meets Literacy

The TTLA wishes to especially invite

- Provisionally Certificated Teachers + Mentor Teachers
- Any teacher interested in integrating both

Afternoon Tea and dinner Included

Dianne Ogle works for Cognition Education and has been involved in maths PD for over 9 years. She will lead us through several sessions as we explore how to Integrate mathematics into the literacy programme.

Dianne will cover with us strategies and activities that can be used in writing and reading from Level One to Level Four .

We will also learn strategies that are effective for accelerating student learning.

Please bring your favourite picture book with you so that it can be used as a resource during the workshop.

Please register at <https://tinyurl.com/ttlaliteracymaths>
