

Southland Literacy Association presents

Celebrate Story

COMING TO A SCHOOL NEAR YOU!

EXPERIENCE THE MAGIC THAT IS STORYTELLING
PRESENTED BY AN INTERNATIONAL MASTER OF THE GENRE

Mona Williams

From her lifetime of teaching, dancing, writing, storytelling and living in South America, the Middle East, California and New Zealand Mona brings delightful richness to her international storytelling audiences. A Fulbright scholar and Stanford University graduate, her passion has led to creating authentic New Zealand narratives and recounting Jewish wisdom tales. Audiences participate in retelling Irish heroic stories, Norwegian sagas, African trickster folktales, hilarious children's fairy tales, and women's Tales of Triumph, among many others.
