

Taranaki Literacy Association

Bring you *two* workshops with

Donna Davies

Digital Fluency with a Literacy Focus

Discover how you can integrate your literacy programme across all curriculum areas and into inquiry via a digital medium.

A connected workshop, focusing on the opportunity to transform your teaching and student learning by changing the way you deliver content and design tasks using a range of Digital Technologies.

LAPTOPS MANDATORY!

Donna will share suggestions for:

- Streamlining planning and making the most of time available for teaching and learning.
- Designing exciting in-depth learning workshops and tasks that you can adopt for teaching and that students can use collaboratively and independently to expand their literacy learning.

Donna Davies

Kia ora, my name is Donna Davies and I am an Accredited MoE Facilitator working for Sharp, Kinane Limited. I live locally in the beautiful Uruti Valley and am currently facilitating in many schools in Taranaki.

I am passionate about innovation in education, integrated digital technology, collaboration, student agency, and authentic and purposeful contexts.

At Sharp, Kinane Limited we acknowledge that schools are **individual and unique**. With this in mind, we offer a **bespoke service** tailored to the individual needs of each kura with a **focus on authentic and local contexts**. Our digital fluency programme looks at ways in which teachers can **increase student/whanau engagement and student agency** using **digital technology as a supporting tool in their teaching and learning planning and programmes**.
