

Auckland Literacy Association

Sponsored Teacher Application – 2022

The Auckland Literacy Association offers several sponsorships for members to attend the national NZLA conference, which is being held this year at The Parnell Conference Centre and Parnell District School, from Sunday 9 to Wednesday 12 October 2022. The conference offers significant professional development and an opportunity to mix with colleagues from New Zealand and possibly overseas. Some sponsorships will be for early career teachers (teaching six years or less) and some for experienced teachers (teaching six years or more).

ALA will pay registration and a koha of \$150 for travel and incidentals. Any other costs are at the individual's expense.

Requirements:

- You (or your school) must be a current financial member of ALA.
- You will be required to write a report of the conference, for inclusion in the ALA Newsletter.
- You must have a written statement of support from a senior staff member from your school or centre.
- Nominations must not exceed one page.
- Late or excessive nominations will not be considered.
- You must be willing to attend general ALA meetings.
- You must sign to indicate acceptance of these requirements.
- Failure to attend the conference will result in the individual being required to repay the cost of the sponsorship.
- You will be required to work with the other sponsored teachers in a joint presentation of your experience at the next ALA Annual General Meeting.
