

Literacy Lift off.

Despite the stormy weather on 11 May, we were thrilled that 48 people participated in ***The Poetry Book*** workshop with Sheena Cameron and Louise Dempsey at Waitākari School.

Amid the munching of healthy snacks and slurping of beverages the motivating and practical ideas, opportunities to write and win spot prizes the professional connections and talk with Sheena and Louise was invaluable.

People travelled from across the city, North Canterbury and as far as Kaikoura for the afternoon workshop.

Congratulations to the four lucky number winners who selected their prizes of either: a copy of ***The Poetry Book*** or a ***Telling Tales*** Children Bookshop Book voucher.

We are anticipating another literacy event next term. More information to come. All welcome.

Please do let colleagues in your network know.
