

DIALOGIC TALK:

Unpacking the
pedagogy of
classroom
interactions

Rich, extended dialogue builds the foundation for communication and literacy development. Join us to find out more about this essential pedagogical approach.

\$20 NON-MEMBERS

Associate Professor
Aaron Wilson

Dr Jacinta Oldehaver

Dr Maree Davies

All from the Faculty of Education & Social Work at the University of Auckland, our three speakers have conducted extensive research in the area of dialogic talk in New Zealand schools. Their research covers multiple contexts - primary and secondary, face to face and online.

THURSDAY
4TH APRIL
4PM
